

# 9 WAYS TO REDUCE PLASTIC IN YOUR WORKPLACE

1

Inspire your colleagues,  
hold an ocean plastic talk

2

Organise a park, river or  
beach clean with your team

3

Provide unlimited  
filtered tap water

4

Have reusables in  
kitchens & canteens

5

Reduce plastic in  
office tea & coffee

6

Encourage eco habits,  
gift reusables to your team

7

Ask your team for ideas  
to cut plastic in their roles

8

Request that suppliers  
use less plastic packaging

9

Share your successes,  
inspire others to act too

LESS  
PLASTIC.
