

# 9 REASONS WE NEED MORE NATURE

1 Captures carbon & locks it away

2 Vital for clean air & water

3 Crucial for healthy food

4 Essential for wildlife & plants to thrive

5 Prevents flooding & soil erosion

6 Good for human health & wellbeing

7 Fills us with awe & wonder

8 Our legacy for the children of today & tomorrow

9 Repairs the damage we've caused

#LessPlastic #MoreNature

LESS  
PLASTIC.
